By a Saigon paper, which has been received,

Documentary Bills,

N SHANGRAL -.

The Chronicle and Directory for 1809. THIS Work now in the SEVENTH year of its existence, will be published as early as practicable after the close of the

It will be compiled and printed at the Daily Press Office, as usual, from the best and most authentic sources, and no pains will be spared to make the work complete. · In order to avoid mistakes and disappointment, the Publisher begs to inform intending Subscribers, that although another Directory, with a very similar title, and for which his work has evidently been

taken as the ground-work, is also about to

be printed, it is in no way identified with

the Chronicle and Directory published at the Daily Press Office. He also requests that those persons who have not yet returned the printed forms which have been sent to them to fill up, will be good enough to do so without delay. Any persons who have recently arrived, and to whom printed forms have not been sent, are respectfully requested to forward their names and addresses as early as pos-

sible for insertion. Daily Press Office, Nov. 16th, 1868.

messengers left the office # 10.26.

At Newchwang, suddenly, on the 14th inst., THOMAS TATLOB MEADOWS, Esq., H.B.M.'s Consul at that Port. The delivery of the Daily Press from this office commenced un Saturday murning at 10.00 and the last

Новокова, November 20тн, 1868.

Soms time ago it was rumoured that four new ports would be opened to foreign trade. dealy in the bar of the British Hotel, and ex. The Harbour Muster is to control the pilot body, bome; with the gratifying and very satisfactory Up to the present we have not heard this pired almost immediately. The body of the rumour confirmed, and we sincorely trust it of the first pounds a piece, that the pote is without foundation. The system of open pital, and examined, but it was not deemed ports bus now been tried for a quarter of a a century, and has proved altogether inadequate to meet the requirements of our commerce. Yangchow (From the " North Ch'na Daily News.") Mr. Medhurst's reception at Yangchow, wbelieve, was all that could be desired, But is amusing to learn that the local authorities conducted the troops to the temple where they are quartered, by all the back streets, in order to hide them as much as possible from view. the squadron, having come up the river on the opposite alore, and although she undoubtedly being as submitted to as they were merely previous day with the Taotais of Shanghai and gained in the strength of wind, she went too being guided to their destination at the time: but an intention was expressed to march that men throughout the whole city next day. To provide against any minunderstanding as to intimate acquaintance with foreign usages, and tacked at least a mile to leaward, and kept her recent proceedings and as to the nature of the their couning in the employment of fulls to course steadily with just enough wind and visit, it is forther intended, we believe, to post a foreign diplomacy, would be of great advantage, reached the winning post half a minute in Consular notification at the gates, recounting and would compensate for the inherent weak- advance of the Heather Belle, at 4.30, thus the oirenmetances.

along. Two individuals who were concerned in it have been caught; one, the men who took Mrs. Taylor's rings from off her fingers; the other a literary graduate; who was a prominent leader of the mob. It is hoped to detect many others yet. The officials object to the wording of the tablet which we want erected; but Mr. Medburst insists. Compensation in the Hweiquan barrier case has been arranged, and was affairs at once, and made up his mind accordto be paid on the 18th. English sentrics are ingly. The possession of the Chinese gunplaced at the gate, opposite which the gamboats boat would make him master of the situation. are anchored, and officers and troops seem well pleased with their quarters.

(From a Correspondent of the " Recorder.") HANKOW, November 8th, 1868 The First Protestant Church in Contra China was here dedicated to the service of God, by the Bight Rev. the Bishop of Victoria, on Saturday, the 7th November. At the came time the Rev. Mr. Atkinson, of St. Peters at Kinking, was consecrated Priest. The service were simple and impressive, but as the floor of the Church is not yet laid, they were held in what will eventually be the cellar. As the early Christians worshipped God in the catacombs of Rame, it was quite appropriate for the Church in a week law to inaugurate their first Christians of Hankow to inaugurate their first was not now in the belpless position in which time the Rev. Mr. Atkinson, of St. Peters at 1

Obried in a meek, lowly, humble and penitent way. The building when finished will be viry abasic in style, with a quiet beauty about the internal finish and decorations that speaks well for the taste and liberality of the community. The roof is covered with the red cedar whingle of Oregon; the bell, the gift of an American, came from the Troy Bell Foundry in New York; the stene-work of the coline is object. The work of the children was sent need, while most of the Church furniture was sent from England. Different nationalities, thus contributing to the House of God, it would seem more appropriate to give the building some more appropriate to give the building some the human race, and from this point of view, the nomemclature is faulty. "St. John's" sounds amouth enough; but there are thousands of Messre. Smith, Archer and Co. St. \$57,000, and knocked down at \$91,000, to the present of insist on the Praya and Peddar's 'Whurf was attreed at \$55,000, and knocked down at \$20,000, one to present of a few or and the property used as offices, was started at \$20,000, and knocked down at \$20,000, one to properly used as offices, was started at \$20,000, and was propagate to insist on what he deemed right and fair. The hinglish were vidently in earnest, and were not going to be satisfied with more words. It was evident to Messre. Bozario and Co. The bidding was contributing to the House of God, it would seem more appropriate to give the building some more appropriate to give the building some that the firm of his former visit; that he was not now in the firm of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; that he had been at the time of his former visit; t Church in a meek, lowly, humble and penitent

Le-hung-chang, (says a correspondent of the same paper) lately Commander in Chief over the imperial armies in the north of China, being no longer required in this region, owing to the rebellion having been put down, the country restored to tranquillity, repaired lately to Poking to have an audience of the Emperor, and two The Hiogo and Osaka Herald hears it runtages to have an audience of the Emperor, and two The Hiogo and Osaka Herald hears it runtages to be without that the countenesses of the six weeks. At the countenesses of the six weeks, defendants could not have detained plaintiff a single day. The to have an audience of the Emperor, and two days back passed through Tientain on his moured that the Japanese Government has way to his post at Woodhang-foo as Governor dinto a contract with a firm in Yoko hand, to some port on the Yangize. He paid a for the lying down of a militad between have already informed you that Tso tang-tang had had an andichee of the Emperor, and had had an andichee of the Emperor, and had later proceeded to his poet, at Sigan-foo, as Governor of 98,600 rios. This reseat is the major.

vessels are louding as quickly as possible from fear of ice, but a correspondent twriting on the 9th inst.) says "there is really no danger unless the frest continues, which is not likely. At any rate vessels can always get out until the ice becomes thick, as a north wind is a fair wind." Contradictory accounts reach us as to the success of the beancake machinery.

following remarks in his Quarterly Report, for the fabrication of Pulse Cake, brought to Taylor. this port by Mesars. T. Platt & Co., hus been discovered; it is to be hoped that they will be satisfactorily remedied. The inhabitants of this province are exceptionally free from the superstitions which elecwhere have to bear the responsibility of arresting progress. The Cups offered for schooners and outlers, which machinery will have to dread nothing from came off on the 24th inst., proved to be one of the those dogged and obstructive ideas which are most satisfactory, as well as one of most exciting JAPAN TIMES OVERLAND MAIL AND those dogged and obstructive ideas which are attributed to the Natives in other portions of the Empire. The connection between the Native manufacturers said the Native exporters, who, it may be said, manopolize the trade, is much less intimate them would, at first sight, be supposed. The first are almost all Northern changes and dosely contested races that has taken place of a strong the wind gradually fell light until at twelve o'clock, it had deteriorated into what twelve o'clock, it had deteriorated into what sailors denominate a "light baffling air." Conclude Mail, is \$12 per those two, then; there is no community of interest, the boats into position, but after three-quartures, and is the oppositions are in all the property of the Overland Mail, and the siret manufacturers; the others to sail was ready, and sat

those two, then; there is no community of interest. The first purely manufacturers: the others with one or two exceptions, are so far as produce is concorned, purely exporters. The very existence of these exceptions proves a dissatistic faction on the part of the latter of the two diverted a portion of its capital into this new change is minutes the Heddher Belle rounded to the flag-ship and hauling on the wind, which the flag-ship and stood in towards the Mint.
